Create this look

- Clean contemporary lines
- Earth base palette
- Limestone interior and exterior
- Light timber floors
- White walls
- Splashes of ocean inspired colour feature in soft furnishings
- Artwork positioned in key focal points

Contemporary Cottesloe

A Cottesloe home is classic contemporary style at its best. Clean lines of contemporary inspired furniture in light colours mix beautifully with a subtle earth base palette. Local WA limestone features throughout, blended with light timber floors and white walls to frame the stunning iconic Cottesloe Beach feel. Splashes of colour throughout the home sit calmly against a strong white kitchen of smooth inviting surfaces.
